

# CAI Minnesota Vendor Finder

*An online resource for homeowner associations and managers to find the business partner that best fits their needs.*

The CAI Minnesota Vendor Finder allows association leaders and board members to search for the right business partner to serve their community. Unlike other search tools, the Vendor Finder provides more in-depth information about your company and what distinguishes your services in the market. Simply stated, it is the best tool to help associations and managers find the business partner that fits their specific needs.
